Materials

- Fresh cut leaves—not dried
- Crayons – remove the paper wrapping
- White paper
- Press n Seal plastic wrap

Lay a piece of the Press n Seal on the table with the sticky side up. Arrange your leaves on top and press your white paper over the leaves. Gently rub the crayon on to the paper, creating an impression of the leaves below. Add additional layers of color and pressure however you'd like. Color the paper to create the leaf design with pretty color blends. No two leaf rubbings will be the same!
